

# MENTOR/XT

## Lighting Control System

*Preliminary data sheet*

MENTOR/XT is a top end alternative to the successful MENTOR lighting control desk introduced in 2005. The “4 desks in 1” concept has been very much enhanced with the addition of a state-of-the-art motion control section and a flexible 48, 72 or 96-submaster capability.

### New Features

- 512 / 1024 / 2048 instruments / channels
- 48 on-board submasters
- Optional extensions to 72 or 96 submasters via 1 or 2 plug-in modules and/or MENTOR extension wings
- Motion control section with a 7-colour trackball and 4 encoding wheels with displays
- Up to 4 video outputs
- 4th generation of ISIS® software including cue lists for running up to 96 crossfades simultaneously

### ... and Still

- 2 DMX universes on XLR5
- 16 DMX universes through Ethernet
- LINUX operating system
- Configurable user profiles
- Manual preset style capability
- On-board touch screen
- Optional Wi-Fi or HF remote control
- All state-of-the-art Ethernet functions and operating features of the original MENTOR

The greatly improved performance level, flexibility and ease of use should make of MENTOR / XT the most rewarding choice of discerning users for theatre, television, musical and touring applications: 4 desks in 1 !

# MENTOR/XT

## MENTOR/XT is expandable:

From 512 to 2048 channels, from 48 to 96 submasters and from 48 to 120 faders

## MENTOR/XT is adaptable:

User profiles allow a customized configuration to suit your personal operating habits or level of experience

## MENTOR/XT is flexible:

It can be used as a simple manual desk or a highly sophisticated memory system

## MENTOR/XT is "networkable":

Over the ADB Ethernet network, with multiple nodes, visualisation programmes e.g. WYSIWYG, with or without Wi-Fi remote control

### MENTOR/XT

supplied with:

- Alphanumerical keyboard
- External floppy disk
- Supply cable
- Dust cover
- Instruction manual

### Power supply

90 - 264 V - 50 / 60 Hz

### MENTOR/XT

Dimensions : 1225 x 475 x 130 mm

Weight : 15 kg

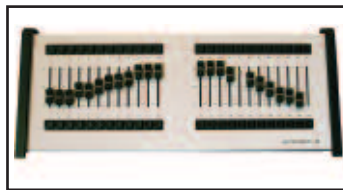

### Extension Module

Dimensions : 540 x 200 x 80 mm

Weight : 1.5 kg

MENTOR Extension Wing

MENTOR/XT Extension Module

### Connections

- 1 SVGA output
- 2 DMX outputs
- 1 Audio input
- 8 external lines for remote triggering
- 1 Ethernet port
- 1 serial EIA/R5-232 port
- 2 USB ports
- 1 mouse port
- 1 keyboard port
- 1 port for Extension (DB15) modules
- On / Off switch
- 2 XLR3 for "gooseneck lamps"
